Dear Fords,

Happy Thanksgiving! Also, because this will be our last digest for the semester, we’d like to wish you a restful Winter Break, even though it seems so far from now!

Co-Presidents

Maria Bojorquez-Gomez ‘16 and Claire Dinh ’16 have interviewed Facilities Fund applicants with Don Campbell and the class representatives. The President’s Office has recently approached them to discuss the efficacy of the current Smoking Policy and introduced to them the possibility of revising it. As their conversations with various offices and groups this year have shown them how violations of the Social Honor Code, sexual misconduct and substance abuse are often interrelated, plans for a video project analogous to the Academic Integrity Tutorial, but concerning these three topics, are underway. They are meeting with Communications and Casey Falk ’16 from FIG to follow-up on the Weekly Consensus survey results. The Communications office is also creating a virtual space for committees to post reports on the SC website.

Co-Vice Presidents

Brianna Robbins ‘15 and Diana Perry ’15 have worked with Appointments Committee to select student representatives for the Library Advisory Committee and FUCS. They have also appointed CP, AMA, HCO and PAF Co-Heads, as well as the Honor Council Librarian and Haverfest Co-Heads. The next set of appointments will take place next semester.
