7. Class Year Reps
   a. 2015
      1. Staff Appreciation happened on Friday. Staff loved it. People liked the gifts, and it was better than in the past. People also loved breakfast sandwiches.
      2. Many people said that they loved time in the morning, but many people from DC and other places could not come until 11:30am. Probably set up 2 time periods next year, one in the morning and one in the afternoon.
      3. SAO can do this event, but hope that class representatives can be there to help.

   c. 2017
   d. 2018
