      i. Vicky & Natalie, you’ll be running the show! Please reserve the Campus Center room on the second floor from 5pm to midnight, and email the newly elected Students’ Council members so that they will attend this event with us. There are descriptions of all the awards in your Google Drive. Copy and paste these descriptions into an hc-all email and ask students to nominate other students by Wed 4/22 (encourage them to explain why they nominated those particular students as well). Prepare a packet of nominations for SC by copying and pasting these nominations into a Google doc that we can all see (except for any SC members who have been nominated - they should have their own special packet without the nominations of the award(s) for which they have been nominated).
      ii. Mis & Jason, please buy enough pizza and drinks for both the incoming and outgoing Students’ Councils.
      iii. Thanks for all of your hard work!
      iv. Questions? Ask Claire!
