Dear Fords,

We hope that you are doing well on your midterms!

**Co-Presidents**

*Maria Bojorquez-Gomez ‘16 and Claire Dinh ‘16* coordinated an incredibly **efficient Plenary** - 9 resolutions in less than 3 hours! Using feedback from the Post-Plenary Discussion, they will be making suggestions to the incoming Co-Presidents to further improve Plenary (e.g. having a projector). They will be collaborating with *Geoffrey Martin-Noble ‘16 and Daniel Washburn ‘17* to **revise the Plenary rules of order** and agenda, such that there will be less room for confusion regarding voting procedures in the future. They coordinated a meeting between President Dan Weiss and SC to discuss the efficacy of the **Smoking Policy**. They recently met with the President’s Office, Director of Facilities *Don Campbell*, Deans *Martha Denney* and *Steve Watter*, and VP of Finance *Mitch Wein* to discuss how successful **student spaces** are in fulfilling their intended purposes (e.g. DC basement and Campus Center).

Finally, they are hosting a **Donuts with Dan** event on March 25th from 12:30-2pm in the DC Sunken Lounge.

**Co-Vice Presidents**

*Brianna Robbins ‘15 and Diana Perry ‘15* are almost finished with appointments for spring semester. Only appointments for **Res-Life Co-Heads** and **ExCo Heads** remain, so keep a look out for those applications! If you are serving on a committee that needs members to be appointed this spring, please contact them ASAP!
